GENIO Rigging Connector - Set of 6

Item No. 83063252

Description

The GENIO Rigging Connector extends the GENIO connection system from fixture-to-fixture mounting to standard entertainment rigging.
Designed to interface directly with the GENIO family, it provides a simple and secure way to connect individual fixtures or complete GENIO arrays to truss and other supporting structures.

Features and benefits

- ✓ Tool-free connection to GENIO fixtures
- ✓ Suitable for individual fixtures and complete GENIO arrays
- ✓ Designed for flexible truss-mounted configurations
- ✓ Integrated M10 thread for compatible rigging clamps
- ✓ Compatible with GENIO Beam, BlinderDot and PixelBar
- ✓ Supplied as a set of 6 connectors
