## NEW DELUXE SOFT CASES

The Pedaltrain you buy today is the best we have ever made. There is no degradation, or cost cutting, or shortcuts taken, ever - we only improve. Pedaltrain agonizes over the details so you don't have to. This is why we are always imitated but never duplicated.

- Every Pedaltrain SC model now ships with new Deluxe Soft Case
- There has never been a better Pedaltrain case
- Platinum SBS zippers on main compartment and accessory storage pocket
- Easy-wipe interior & water-resistant exterior shell
- Exterior accessory storage pocket (sizes vary by model) is generous in size, and really useful
- Premium shoulder strap with padded shoulder pad
- Deeper case for extra-tall pedals on all elevated Pedaltrain models
