Bright Red

Vendor Code: HLL-HM026-10

FACE Item: 56638

[Pictures Link](#)

This bright red color is so red it's like a Ferrari filled with roses being driven by The KoolAid Man to a red carpet event.

Bright White

Vendor Code: HLL-HM002-10

FACE Item: 56648

[Pictures Link](#)

This bright white color appears semi-translucent against a black pedal board. Imagine the first snow-fall of winter gently covering the streets of New York City in the dead of night. Lovely.

Bright Yellow

Vendor Code: HLL-HM008-10

FACE Item: 56641

[Pictures Link](#)

This bright yellow color is like going to a summer baseball game and accidentally dripping mustard on your shirt while you were taking a sip of tart lemonade. That stain ain't coming out, but it was a great day at the park with friends. Appears semi-translucent against a black pedal board.

Jet Black

Vendor Code: HLL-HMBLACK-10

FACE Item: 56650

[Pictures Link](#)

"There's something about this that's so black, it's like how much more black could this be? And the answer is none. None more black." - Nigel Tufnel

Neon Yellow

Vendor Code: HLL-HM118-10

FACE Item: 56640

[Pictures Link](#)

This neon yellow color is like a tennis ball dipped in glow stick juice. Appears semi-translucent against a black pedal board.

Pale Blue

Vendor Code: HLL-HM077-10

FACE Item: 56643

[Pictures Link](#)

This pale blue color is a cross between the a clear blue sky and periwinkle. Hard to describe, but we like it. Appears semi-translucent against a black pedal board.

Pale Grey

HLL-HM152-10

FACE Item: 56649

[Pictures Link](#)

This color reminds me of the city. Concrete and soaring buildings. No nonsense... busy day ahead... honk honk... let's go. That sort of thing. Appears semi-translucent against a black pedalboard.

Pale Pink

HLL-HM152-10

FACE Item: 56649

[Pictures Link](#)

This pale pink color is best described as Mary Kay meets cherry blossom. Appears semi-translucent against a black pedal board.
