Need to know for Retailers

- 100-Watt 3 channel high gain pedal amp
- Perfect for high-gain player normally looking for a multi-channel valve amp
- Power a traditional cabinet, connect directly to the PA with DI Out and cab-sim or record via USB
- Response control delivers 3 distinctly different power valve responses: EL84, EL34, 6L6
- 3 footswitchable channels (Clean, Crunch, Overdrive) with 2 voicings each
- Programmable Pre- or Post-Boost with dedicated switch and level control
- Pro-connectivity: XLR DI out, USB audio, FX loop, Phones out & more
- Use Blackstar's CabRig cab-simulation on DI out and USB for live-performances through the PA and recording-applications
- Completes Blackstar's new AMPED product-family (AMPED 1, AMPED 2, AMPED 3)
 - AMPED 1 = 100-Watt Amp with Reverb
 - AMPED 2 = 100-Watt Amp with comprehensive FX Rig
 - AMPED 3 = 100-Watt 3-Channel Amp with Boost

- Headphone output (feat. CabRig)
- Small enough to fit in a gig-bag pocket
- Speaker outputs: 8 Ohm, 16 Ohm
- Universal auto-range Power Supply (90V to 264V) to power all over the world
- Accessories included: 2x TRS MIDI to 5 pin MIDI adaptor, USB-C cable
- Designed by Blackstar UK

Short Description

AMPED 3 is a 100 Watt high gain pedal amplifier featuring 6 voicing options and 3 programmable channels with Reverb. Perfect for players seeking the ultra high gain tones found in multi-channel valve amps like Series One. You can use it to power a cabinet up to 100 Watts, go direct or to use in the front end of a traditional amp ensuring you can take your sound with you anywhere. Power reduction down to 1W and USB-C connectivity means it's equally at home in the studio or the stage.
